NA is a non-profit fellowship of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean.

NA is not affiliated with any group organizations, religious groups, treatment or medical facilities, or any meeting place. Our groups are self-supporting and pay rent for the use of all meeting locations.

When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all faced the same dilemma. What is there left to do? There seems to be this alternative: either go on the best we can to the bitter ends - jails, institutions or death- or find a new way to live. In years gone by, very few addicts ever had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple spiritual -- not religious- program, known as Narcotics Anonymous
